Rejected Electronic Document

Comment: The electronic version of the Respondent's brief lists an incorrect title on the brief cover and it contains both the brief and appendix. Corrections to the brief title (party designations, specifically) have been made by clerk's office staff on the hardcopies of the brief. Rule 809.19(13)(c) states, in part, that an electronic appendix shall be filed as a document or documents separate from the brief. You are not required to file an electronic version of the appendix but if you opt to do so you must also include the requisite electronic appendix certification pursuant to Rule 809.19(13)(f) and load a separate, corrected electronic appendix that includes the certification. If you opt to exclude the appendix in your electronic filing you may simply upload a corrected version of the electronic brief that excludes the appendix documents. Please contact clerk's office staff by calling 608-266-1880 when done so that the brief may be accepted for filing. Failure to notify may result in delayed acceptance of the corrected e-document.
